

RIGAKEN

SUPPORTS YOU IN SECURING
YOUR R&D ACTIVITIES AND
INNOVATION FUNDING

OUR APPROACH

Free diagnosis: we assess your eligibility for the CIR, CII, and JEI for free.

Simplified organization: we gather the necessary information in a simple and fast way. **Drafting of files:** we write your files from A to Z.

Complete management: we take care of all administrative procedures until payment of your claim.

File security: we systematically secure your technical files through the rescrit procedure.

Controlled cost: we offer competitive and transparent rates.

Anticipation of eligibility: we help you anticipate the eligibility of your projects and evaluate their cost, taking into account the generated CIR.
